DODGE COMMERCIAL
GRAND CARAVAN C/V

THE NEW COMMERCIAL STANDARD

FOR BUSINESS RUNS THAT NEED INSTANT CAPABILITY. When your requirements are on a smaller scale than the cavernous Dodge Sprinter, Dodge Grand Caravan C/V steps into the batter's box. The stats are impressive: 3.3-liter E85 (Flex Fuel) engine. 4-speed automatic. Special heavy-duty suspension "tuned" for higher GVWRs for greater payload, with cargo and body protected by an available thick rubber mat. Business-friendly advantages include customized windows in the cargo area and front seats only — a design that increases your cargo volume to a spacious and surprising 143.8 cubic feet. Load up on Dodge Grand Caravan C/V at dodge.com/commercial

PARKVIEW® REAR BACKUP CAMERA⁽¹⁾

An intelligent system for intelligent businesses. Available ParkView utilizes a rear camera and a video display in the center stack to communicate information about vehicles and/or objects in back while reversing. ParkView is especially valuable when using a trailer, allowing pinpoint accuracy when aligning the hitch ball to the trailer hitch.

UNIQUE CARGO PROTECTION AND LOAD-SECURING SYSTEMS

Conveniently hidden in the flooring of Grand Caravan C/V, these pop-up rings are there when you need them to ensure that cargo stays in place — and they quickly tuck away when not in use. Out-of-the-way side lashing rails complete the system for securing cargo.

THE ON THE JOB ADVANTAGE

If you're using your Dodge Grand Caravan C/V for your corporation or business, you've got a very real advantage through the Dodge **ON THE JOB** incentive program. **ON THE JOB** provides incentives and cash allowances for purchase/accessories, and is also available for municipalities and certain organizations and non-profits. Be sure to discuss **ON THE JOB** with your Dodge Grand Caravan C/V dealer, or get more online when you follow the links at dodge.com/commercial
