¹OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Stolen Vehicle Location Assistance and Remote Door Unlock success varies with conditions. Diagnostic capability varies by model. Visit onstar.com or call 1-888-4ONSTAR (466-7827) for details and system limitations. Hands-Free Calling requires existing OnStar service contract and prepaid minutes or enrollment in a shared minutes plan. Not available in certain markets. Calls may be made to U.S. and Canada only.

^{††}Turn-by-Turn Navigation requires ABS and is not available in certain areas. Visit onstar.com for coverage map.

[‡]Always use safety belts and the correct child restraint system for your child's age and size. Even with Passenger Sensing System, children are safer when properly secured in a rear seat in an appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the vehicle Owner's Manual for more safety information.

[#]Use only GM-approved tire and wheel combinations. For important tire and wheel information, go to gmaccessorieszone.com or see your dealer for details.

¹When properly equipped, maximum trailer weight ratings are calculated assuming a base vehicle except for any options necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details.

²Touch-Screen Navigation is not available in Puerto Rico or the Virgin Islands. Included navigation map disc will cover either Alaska and the 48 contiguous states or Hawaii, depending on sales state. Not available with Rear-Seat Entertainment System.

³RDS functions only where stations broadcast RDS information.

*Yukon XFE interim availability. **Cargo and load capacity limited by weight and distribution. †When properly equipped, maximum trailer weight ratings are calculated assuming a base vehicle except for any options necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details. Requires Heavy-Duty Trailering Package to get maximum trailering rating. ††Not available with Steel Gray Metallic exterior. #Not available with Gold Mist Metallic exterior.
